Re: Resume of Projects / References

I would like to provide you with a list of references as well as some of the projects I was responsible for while I was with my last employer that can confirm my expertise in the concrete and construction fields. I have extensive experience in both national and regional commercial projects, some of which are detailed below.

Projects:

Maryneal, Texas

Pleasanton, Texas

Sweetwater Terminal, Sweetwater, Texas

Southton Rail Yard, Texas

San Antonio Terminal, San Antonio, Texas

Big Lake Terminal, Big Lake, Texas

Other projects, descriptions, and locations include:

Techni Sand, Roff, Oklahoma

Site clearing, excavating, dirt work related to rail expansion, and site reclamation

Wisconsin Sand Industries, Maiden Rock, Wisconsin

Excavating, drilling, screen tower, wet process building foundations, and site reclamation

Black Lab Corporation, Chardon, Ohio

Excavating, tank foundations, and site reclamation

Techni Sand, Houston, Texas

Excavating, footings, foundations, paving, and site reclamation

Marquis Energy, Hennepin, Illinois

Excavating, assisting and producing concrete on site, paving, construction of rail pit and rail scales, piers, covert tunnels, and site reclamation

References:

J.W. Ossola Construction Company, Granville, IL - Contact: Bob (815) 339-6112

Rustin Concrete, Durant Oklahoma – Contact: Brent (580) 924-3260

Buzzi Unicem, USA – Contact: Bob Hodits (317) 752-2960

fay construction- contact: Dick Fay (815) 343-2797

I am proud to say that I have a very good track record as a project manager, and my reputation speaks for itself. Please feel free to contact any of the above mentioned references.

We look forward to the possibility of establishing a working relationship with your company.

Sincerely,

Adan Aldana,
